Attendees: Elizabeth Bartmess, Alyssa Graybeal, Lisa Sorenson, Cait Morgan

Treasurer's Report

Co-treasurer Lisa Sorenson shared the Treasurer's Report.

The chapter began 2025 with a balance of \$3,161.83.

Income from chapter dues are currently \$39.

Expenses include web hosting fees at \$66.69 and reimbursement for postage at \$10.63.

That leaves the current balance at \$3,123.24

Anticipated income includes 75\$ for 2024 and \$100 for 2025.

Anticipated expenses include the Fall meeting speaker honorarium at \$100, web hosting services at \$66.69, and domain registration at \$23.17.

This leaves an anticipated balance of \$3,108.11 at the end of the year.

Discussion ensued about possible uses of the chapter balance.

At this time, reserving the funds makes sense in anticipation of a possible in person 2026

Chapter Meeting in honor of the 30th anniversary. In person meetings require additional costs.

If future meetings are not in person, the chapter may wish to consider possible options to reinvest in the chapter, such as group subscription memberships.

Chapter membership would be consulted before any decisions made about how to spend these funds.
